Pagaminta iš aukš?iausios kokyb?s aliuminio

A minimalistic, modern design crafted out of a refined, premium silver anodised aluminium alloy that stylishly compliments computers and products such as Macs, iMacs, MacBooks and Apple mice. Anodised aluminium is considered environmentally safe, producing few, if any, harmful effects on land, air, or water.

Superior, long-lasting build quality

The use of premium aluminium provides a resilient scratch-free surface, guaranteeing its durability to withstand long hours of usage and frequent traveling. The mouse pad also comes with a set of tactile rubber pads to keep it securely on your desk without leaving any residue.

Waterproof and easy to clean

Unlike the conventional plastic or gel mouse pads, the Desire2 Touch Rectangular Mouse Pad offers a smooth metal surface which is water-resistant and easy to clean. Simply use a soft dry cloth to wipe off any spillages.
