Precision engineering

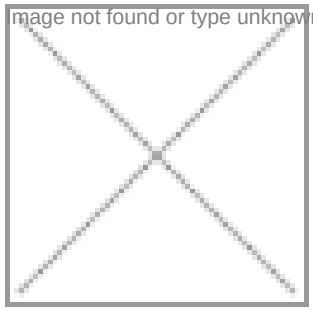

Crafted from premium aluminium

A minimalistic, modern design crafted out of a refined, premium silver anodised aluminium alloy that stylishly complements most modern day smartphones. Silver anodising is an electrochemical process that converts a metal surface into a decorative, durable, corrosion-resistant, anodic oxide finish. Anodised aluminium is considered environmentally safe, producing few, if any, harmful effects on land, air, or water.

Fully rotatable ball joint

A fully rotatable ball joint allows the holder to be rotated a full 360 degrees, providing you with the perfect angles for optimal, comfortable viewing and interaction with your smartphone while out and about.

Tactile anti-slip rubber pads

The holder features several built-in silicone rubber pads placed tactically on the back and sides of the grip to keep your smartphone securely in place and prevent it from falling. Silicone rubber is a great means of providing a non-slip quality to a surface; their anti-slip, grip-like qualities ensuring that your stand will not only stay fixed, but will also leave no residue when removed.

Product description

Perhaps you are the kind of person who desires perfection. Perhaps you long for the perfect companion on your long drives; an object that seamlessly integrates into your automobile, and with a kind of finish that allows your fingers to lightly brush over sleek, refined aluminium.

Perhaps you are also the kind of person who desires performance: Which means you strive for superior, long-lasting build quality in a minimalistic, precision-engineered design.

And if you are - Then are you also the kind of person who, above all else, desires protection? Protection of your device, and protection of yourself...?

Then this - is the Desire2 View My Screen In-car Vent Grip Holder for Smartphones presented in sleek, refined aluminium.

With easy, universal vent integration with a 360 degree base rotation, an adjustable grip up to 82mm to fit most smartphones, and tactile silicone for anti-slip device stability all protected with an industry-leading 3 year warranty for peace of mind, the Desire2 View My Screen In-car Vent Grip Holder for Smartphones could be your ultimate object of desire.
